

“CALLING ALL THE CLANS”

On September 20th, 2014 we will be holding the 6th annual **CENTRAL KENTUCKY HIGHLAND GAMES**. We are very excited about the prospect of becoming one of the premier games in the country. It will be held at the site of the Highland Renaissance Festival, 955 Elm st. Eminence, and Kentucky 40019. For those of you who have never visited this site, it's a beautiful, wooded site with buildings made to look like an old Scottish village. It's a perfect site for highland games.

After talking with several of the clans from our area one fact continues to surface, the clans are one of the main attractions at highland games. Or at least they should be. We want to make this so and are committed to keeping the clans in the forefront at this games. But, we can't do this without your help. So we are appealing to all the clans to call out your members and participate. As most of you already know attendance at most games throughout the country are declining. Let's not let one of the most important features of our culture disappear.

In addition to all of the standard types of competition, there will be competition between the clans with an award given to the winning clan. So dust off your best sheep stealing, wellie tossing, haggis tossing plaid and help us to make this the best game ever.
